

Hey Potential She Is Well Book Co-Author,

Delayna Watkins would like to extend an exclusive invitation for you to join her on a journey of creating the **She Is Well** Experience. The **She Is Well** Book will focus on empowering women in every area of life through **REAL** stories, **RAW** conversations and **RELEVANT** information.

The **She Is Well** book project will be short stories on how women have made transformational lifestyle changes to “get over” or “made it through” a challenging, or life-changing situation.

The **She Is Well** Experience officially kicked off during Women’s Health Week and the first book is estimated to launch March 2021 during our one-year anniversary! We are looking for 30 collaborative authors for Volume 2 estimated to release September 2021. Help us create messages that provide direction, inspiration, and motivation on the importance of self-awareness, self-esteem, self-confidence, and self-worth.

There are **OVER 10** author benefits and PERKS associated with this initial book anthology.
